Big Science experiments equipment list

Here is the list of equipment needed for the Big Science experiments. As well as the items below you might need some spoons or stirrers and to be somewhere that can be wiped clean before and afterwards. It's always helpful to have some hand wipes or to be near to somewhere to wash your hands too!

Unbreakable egg

An egg (not boiled)
an empty jar (that an egg will fit into)

Magic egg yolk

An egg (not boiled)
An empty plastic bottle

Mini egg challenge

Mini egg or piece of paper
An empty plastic bottle

Dragon egg

3 x Hard-boiled eggs
Food colouring
Some cups or glasses

Chocolate slime

Nutella or chocolate spread
icing sugar
