

# Park Lane

Park Lane, Sunderland SR1 3NX

**Park Lane is a paved central location with a large footfall, linking Sunderland's main public transport hubs with city centre shopping.**

As a city centre location, it is very close to Sunderland's bars, restaurants and shops and offers excellent transport links.

The adaptable space has been used to host sporting festivals, outdoor movies and fanzones, commercial promotional activity and plays host to the annual Sunderland Pride parade and event.

For train and metro passengers, Sunderland Central Station and for bus passengers, Park Lane Interchange are both just a few minutes' walk away. There are also several thousand on-street and multi-storey car parking places within the city centre.

Please note, events held in Park Lane would need to consider the access required by local businesses.

Sunderland City Council delivers and hosts many large scale events. We understand requirements regarding costs, infrastructure and licensing, and we are very keen to help organisers make the most of the fantastic opportunities the city has to offer.
