

Seaburn Recreation Park

Sea Lane, Sunderland SR6 8EE

Seaburn Recreation Park is public grassed event space with sweeping views of the award winning coastline at Seaburn.

Recreation Park is opposite the event space at Cliffe Park and the sites can easily be linked if required. The park is an integral part of Sunderland Airshow and has also regularly hosts historic vehicle shows and events for the Armed Forces Weekend.

The park (which can be secured) is in a residential area with seafront businesses including bars, restaurants, guest houses and hotels nearby.

There is excellent access to the park via main transport links with bus stops for coach and bus services. The site is also within 10 minutes' walk from Seaburn Metro station giving great access to both Sunderland and Newcastle city centres.

Sunderland City Council delivers and hosts many large scale events. We understand requirements regarding costs, infrastructure and licencing, and we are very keen to help organisers make the most of the fantastic opportunities the city has to offer.
