

# Sunniside Gardens

West Sunniside, Sunderland SR1 1BA

**Highly commended in the prestigious Landscape Institute Awards, Sunniside Gardens includes landscaping, paved areas and features designed by renowned artists.**

Contemporary restaurants, cafés and specialist boutiques can all be found in the Sunniside area of the city centre, as well as a number of art attractions, including a glass and metal sculpture inspired by Sunderland's industrial heritage.

Within easy walking distance of public transport links including bus, Metro and rail, the space is ideal for live performances or festivals. Local public transport providers are also very willing to discuss alternative arrangements if required.

Please note, events held in Sunniside Gardens would need to consider the access required by local businesses.

Sunderland City Council delivers and hosts many large scale events. We understand requirements regarding costs, infrastructure and licensing, and we are very keen to help organisers make the most of the fantastic opportunities the city has to offer.
